Bursaries:

Warwick Academy offers bursaries from Reception to Year 13. Assistance is given based on need. We have offered on average 100 awards a year ranging from \$1,000 to \$6,000. We are here to assist, as it is vitally important that the lives of our young people and their educational opportunities are not affected by lack of financial means.

Our bursaries are supported by earnings from an endowment fund. While we continue to try and build this fund we are limited to the amount of earnings it provides. Please feel free to contact the Development Office if you would like to donate to this worthy cause.
