Since 1996 the school has adopted the United Kingdom National Curriculum and students write the IGCSE and GCSE examinations at the end of Year 11 (Grade 10). Students generally pursue 8-11 subjects to IGCSE/GCSE examination level. All take English Language, English Literature and Mathematics, a Science (Chemistry, Physics or Biology), a Foreign Language (French, Spanish) and a Humanity (Geography, History, Business Studies or Information Technology) and Global Citizenship. Additional subjects are chosen from the above list and from Art, Food & Nutrition, Design Technology (Resistant Materials), Computer Science, Graphics, Physical Education, Drama and Music. The International Baccalaureate (IB) and BTEC are examined in the Sixth Form.

GRADING
- At Warwick Academy, we do not rank internally and do not calculate a GPA.
- IB students (Year 12 & 13) are assessed according to the IB criteria (Levels 1 to 7 / 1 the lowest and 7 the highest).
- We use the EDEXCEL and Cambridge (CIE) I/GCSE examination boards.
- Year 10 & 11 students are assessed using IGCSE/GCSE grades either on nine-point letter scale (A*, A, B, C, D, E, F, G & U = fail) OR on a 1-9 & U number scale (1, 2, 3, 4, 5, 6, 7, 8, 9 & U = fail).
- At IGCSE - Grade ‘A*’ is awarded for the highest level of achievement and grade ‘G’ indicates the lowest level. ‘C’ is regarded as a ‘good pass’. The ‘U’ indicates an unclassified result (or fail).
- At IGCSE - A grade of ‘1’ is the lowest and ‘9’ the highest with a ‘4’ regarded as a ‘pass’. The ‘U’ indicates an unclassified result (or fail).
- Years 1 - 9 are assessed using the UK National Curriculum level descriptors 1 through 8.
